Hypnotic Charisma Certificate Course

How to Use Hypnosis to Become More Charismatic

with Wendy Packer, BCH, CI, RN, OB and Ralph Benko, CH, OB

Hypnotic Charisma is taking the world by storm! The self-improvement industry generates 10 billion dollars a year. HypnoticCharisma.com will open the door for you! Our proprietary hypnotic techniques will make you and your clients even more charismatic, giving you a commanding presence in the world. Since the 2014 world debut of Hypnotic Charisma at NGH Summer Institute this art is blossoming around the world. Further Trainings have been held in Washington State, Switzerland, and online across 9 time zones and four countries. Our hypnotic charisma work now is translated or being translated into Dutch, German, French, Russian, and Spanish and published there. Coming up: Arabic and Hungarian!

Research indicates that hypnosis quickly and easily can effect a reduction in physical age of a median 11 years — and fast! Making yourself and your clients more charismatic, younger looking and feeling, and more attractive pays huge dividends. Get certified to provide this rejuvenating service to your clients! Scientific research proves that charisma comes from six identifiable factors. These can be tuned up, fast and powerfully, through our custom designed hypnotic techniques. The Summer Institute training shows specifically, step-by-step, how to use the mind-body connection to transform your emotional tone to make yourself as charismatic as a movie star!

Heightening your own personal charisma through hypnosis, and teaching others how to become charismatic through hypnosis, offers massive increases in your professional, financial, and social success. Take this class and get a Certificate of Completion as a Hypnotic Beauty Specialist, enjoy the benefits, and join the thriving worldwide community of hypnotic charisma and hypnotic beauty practitioners.

You will come away from this course with mastery of:

- At least 4 simple, powerful, hypnotic techniques to achieve charisma, youthfulness and attractiveness through Introductory Hypnotic Charisma; Hypnotic Charisma, and Advanced Hypnotic Charisma, Hypnotic Beauty Through Serenity, Hypnotic Eyes, Hypnotic Complexion, and Hypnotic Smile;
- the basics of how these techniques work;
- how to present these techniques to your regular clients' benefit and to your profit;
- how to deploy these techniques to advance the emergence of hypnosis as a separate and distinct profession;
- how the Hypnotic Charisma/ Beauty/Attractiveness breakthrough came about…. the inside story;
- a credibility-enhancing capability to refer to scientific literature references;
- a plain language explanation of what these scientific reports mean;
- the ability to define 6 aspects of the Mind/Body connection;
- at least 4 marketing techniques targeting the massive and affluent Baby Boomer population;
- a list of 5 practical benefits of looking and feeling younger plus more beautiful/attractive;
- be able to identify & define 2 techniques from Eastern & Western health authoritative literature;
- Be able to light up the room with your sheer Presence!
