

The Transformational Healing Method™ Certification Program (THM)

— Learn Leading-Edge Tools For Doing Miraculous And Powerful Work!

presented by Marilyn Gordon, BCH, CI

Create Dynamic Transformation!

If you've ever wished you could find a method for transforming people's lives that is clear and streamlined, as well as dynamic and powerful, here it is! Learn a magnificent method that expands your skills for doing profound inner work. Gain practical and catalytic tools that help you to access the depths of the inner mind and consciousness. Help clients to move from darkness into light, often with astounding results. Combine ancient methods and awesome new technologies, such as EFT tapping techniques and the Wise Mind Process™ to release fears and pain, work with habits, relationships, career and creative blocks, self worth, other physical and emotional challenges and dive deeply into the spiritual realm to get in touch with a profound expansive inner power.

Learn Amazing Techniques

You'll increase your ability to use the combined powers of all levels of consciousness. Work with the subconscious mind, the consciousness, the energy system and the higher self to assist others with just about every difficulty they bring to you in your practice. You'll learn how to do a rapid induction that is both powerful and gentle; how to help detect a client's inner resistances in minutes; how to access the subconscious database to heal deep issues; how to work with energy to release emotional, physical and mental issues skillfully; how to use specific words to say to bring forth the underlying issues; how to work with the expanded self; and how to make special individualized recordings for clients after deep sessions. You'll learn transformational methods to work with weight loss, smoking, past life regression, and more.

Great Handouts & Demonstrations

You'll receive valuable handouts you can use in every one of your sessions to increase depth and the results of your work. You'll see demonstrations and have opportunities to practice and to ask your own questions. You can also have your own personal breakthroughs. This is truly Transformation for the Soul.

You will learn:

- A powerful new approach to healing with the subconscious, higher consciousness and the energy system.
- Learn valuable new approaches to EFT, an energy technique for working with the meridian system to release issues.
- A three-step process of transformation ("experience, release, and transform") that helps clients to move from darkness into light.
- A special rapid induction that will save you time and take your clients into deeper trance states.
- Specific techniques for accessing subconscious material, helping clients to get to the root causes of current life issues.
- Approaches for working with higher consciousness states for healing the difficulties of life, assisting clients to find their wisdom, love and peace.
- Specific words to say while working with clients to help clients fully experience and understand their subconscious material.
- How to apply these techniques to many issues, such as abandonment, traumas, fears, inner sabotage, past life issues, work or relationship issues, life direction, physical issues, lack of self-worth and many more.
- How to help clients reframe their issues.
- Approaches for beginning and ending sessions, including some NLP techniques, such as anchoring and future pacing.
- Powerful post-hypnotic suggestion techniques.
- How to make original, personalized hypnosis recordings for clients to take home after sessions.
- The powerful Wise Mind Process for transforming the challenges of life.
- Special pre-hypnosis techniques that will help your clients to find their internal saboteurs immediately.
- A four-step process for sessions: the interview process, energy work, deep inner transformation and the creation of recordings.
- How to help clients create miraculous shifts in their lives, so they can step into the realms of inner power and expansion.
- How to do transformational work with weight loss and smoking.
- How to do transformational past life sessions.
- Work effectively with the powers of light, wisdom and love.
