to Self-Improvement & Taking Back Control of Your Life

Presented by Calvin Banyan, MA, BCH, CI, FNHG

## What If There Were A NEW Form of Self- Hypnosis That Is Truly More Advanced Than All the Rest?

7th Path Self-Hypnosis® is the very first “anti-virus software” system for the human mind and much more. Transform your clients and yourself in surprising positive ways with this mind-body-spirit approach to self-hypnosis.

My name is Cal Banyan and I’m pretty well known as a rather “clinical hypnotherapist”. But, those who have been through my certification courses have learned much more than they ever expected. As it turned out, I was an unlikely channel for a very special form of self-hypnosis. 7th Path Self-Hypnosis® touched my student’s lives and now they are teachers who transform the lives of others around the world. Here is just some of what they want to tell you about “7th Path”.

*“7th Path Self-Hypnosis® has given me enlightenment, especially on questions I have always suppressed. I would be happy if I could touch and cure lives using the 7th Path Self-Hypnosis® program. I am grateful to Cal Banyan for the tools that I will forever carry with me for the rest of my life. I’d say to anyone who are interested in learning 7th PATH® this is “Some magical words that will cleanse your soul”.*

—Chew Ting, Vaneta, Singapore

*“I truly believe that 7th Path Self-Hypnosis® has been channeled through Cal and this awakening in his students will keep this renaissance alive and moving forward.”*

—Patrick Boulanger, CH, Newark, IL
