

# Develop Your Extra Sensory Perception (ESP) With Hypnosis

Assist your clients and others to increase their ESP awareness

Presented by Ramona Garcia, CH and Marlene Monnar, CH, MBA, MEd

---

**This is your opportunity to learn, experience and practice one-on-one psychic functioning and mediumship using hypnosis.**

In this extraordinary one day workshop, you will be learning and practicing various techniques, including, quick hypnosis and NLP techniques to develop and enhance your Extra Sensory Perception abilities and mediumship practice.

You will learn how to do psychic readings on other workshop participants and also someone at a distance. During this workshop, you will learn advanced scanning techniques, psychometry, photograph readings, psychic readings and mediumship. You will experience and learn how to get in tune with Ascended Masters, Spirit Guides and/or Angels in your life. You will acquire an awareness of your psychic/spiritual senses and learn how to develop and use them in your daily life. You will learn how and practice how to guide and protect yourself from psychic attacks, psychic vampirism, attachments, old garbage including fear, doubt and guilt claiming back your own living personal power. You will experience doing cases and possible past life reading. Sometimes during a reading a person's past life surfaces. You can develop your ESP skills so that you can do professional psychic readings in a positive, uplifting way with 90 to 95% accuracy with practice. You will learn the basics of Numerology, Astrology, Color Psychology and the lore of gemstones and flowers enhancing your awareness on these topics. You will learn how to be guided and directed by your higher power without fear or doubt. One of the most concerning issues is fear of these topics. We will address this. Learn the significance of the body's energy systems and practice sensing and seeing energy, ie the Aura and chakras. Also acquire information from another person's aura and subtle energy bodies. We will also cover topics such as Meditation, Energetic Grounding, Expanding your Personal Energy and Aura and Chakras Cleansing. Practice how to communicate with and awareness of impressions, signs and symbols from diseased loved ones.
