—Become A Certified HypnoFertility® Consultant

Presented by Lynsi Eastburn

Thoroughly revised & updated, includes Lynsi's never before taught Rapid Conception Technique!

Substantially increase your clientele

Millions of dollars are spent on fertility procedures each year. Hypnosis for fertility is greatly needed and caring individuals will find very rewarding work in this field.

Become a Certified HypnoFertility® Therapist and learn the advanced techniques that will allow you to enhance your practice and/or create your own niche. Addressing natural and medically assisted fertility issues, this course is a must-have, especially for those specializing in birthing and women's issues.

Doctors endorse Lynsi Eastburn's program—she receives referrals from fertility clinics and OB/GYN practices from coast to coast. Powerful, precise, it supports the entire fertility process (natural or medically assisted) for optimal results.

Take it above and beyond chance!

Each year millions of dollars are spent to overcome infertility. While modern medicine has improved, vast amounts of dollars and emotion are spent in pursuit of pregnancies that never happen. HypnoFertility® represents a safe and powerful way of increasing infertility.

Become a Certified HypnoFertility® Consultant and learn the advanced techniques that will allow you to enhance your practice and/or create your own niche while doing incredibly rewarding work.

You will receive myriad materials that will increase your success with fertility issues. This program is packed with protocols, scripts, and studies that will enable you to work with and support clients' fertility/pregnancy related situations, and will also prepare you for interaction with doctors and other medical professionals.

Testimonials

"Lynsi Eastburn is a very knowledgeable and enthusiastic instructor. I gained valuable insight & understanding in the world of fertility. Lynsi shared with us her in-depth experience on how to deal with the personal aspects of the often impersonal process of fertility. I highly recommend this course for any hypnotist working in this field." —*Roxanne Paolini, CH*

Integrative and Wellness Medical Center of Silicon Valley, San Jose, CA

"This is a multi-faceted program, addressing many issues surrounding fertility (stress, anger, lack of confidence, depression, frustration, loss of control, etc.) as well supporting life-style changes leading toward improved health and well-being. How can this NOT be of benefit? I highly recommend Lynsi's course to all hypnotists who are looking to expand their knowledge and expertise throughout this field."
