## How To Use Hypnosis To Become More Charismatic And Become A Hypnotic Beauty Specialist

with Wendy Packer, BCH, CI, RN, OB and Ralph Benko, CH, OB

Hypnotic Charisma is taking the world by storm! The self-improvement industry generates \$10 billion a year. HypnoticCharisma.com will open the door for you and your clients! Our proprietary hypnotic techniques will make you and your clients even more charismatic, giving you and them a commanding presence in the world. Since the 2014 debut of Hypnotic Charisma at the NGH Summer Institute, a hundred people have received training in the US and Europe.

Research indicates that hypnosis quickly and easily can effect a reduction in physical age of a median 11 years — and fast! Making yourself and your clients more charismatic, younger looking and feeling, and more attractive pays huge dividends. Get certified to provide this rejuvenating service to your clients!

Scientific research proves that charisma comes from six identifiable factors. These can be tuned up, fast and powerfully, through our custom designed hypnotic techniques. The Summer Institute training shows specifically, step-by-step, how to use the mind-body connection to transform your emotional tone to make yourself as charismatic as a movie star!

Heightening your own personal charisma through hypnosis, and teaching others how to become charismatic through hypnosis, offers massive increases in your professional, financial, and social success. Take this class and get a Certificate of Completion as a Hypnotic Beauty Specialist, enjoy the benefits, and join the thriving worldwide community of hypnotic charisma and hypnotic beauty practitioners.
