Here is What the Leaders in Our Field Say:

"Thank you Wil - this class has taken my skills in rapport and NLP language to another level. And, as a side benefit, I have experienced a great deal of personal transformation, both in relation to my future career goals and my current emotional concerns. I highly recommend this training for hypnotists, business people, for anyone interested in interacting effectively with others."

—Ellen Asherah, CH

"When I first heard this was a 3-day class, I didn't think it was possible. However, I feel I've learned and actually integrated more than in some much longer classes. Will Horton has the ability to present concepts as easy, simple and effortless, which is as it should be."

—Lee Pascoe, BCH, CI, FNGH, OB

"The techniques presented are applicable to my personal and professional life. The course was educational and inspirational." —Christine Silverstein

"This course is a must for anyone who speaks to groups, meets with clients, interviews for jobs, has friends (or doesn't) and wants to be more effective with all of the above."

—Deborah Gerry

"Great course. Easy material to learn and apply. Lots of practice of techniques in a safe environment. Simple to apply in everyday situations and in client situations"

—Roy Thaller, Vancouver, BC, Canada

"NLP can be an enormous enhancement to your everyday people skills as well as effective in your practice. I used the basic skills to not only get into Harvard but secure a scholarship."

—Marie Looby, Rockland, MA

"This is the single most valuable set of skills I have learned for my work as a counselor. The return on my investment will be many times over in the near future."

—Warren Schneider

What Do The Experts Say?

"NLP may be the most powerful vehicle for change in existence."

Psychology Today

"NLP could be the most powerful synthesis of knowledge about communications to emerge."
