The Transformational Hypnosis Method Certification

—Become an Expert in a Dynamic Method that Powerfully Transforms Lives!
presented by Marilyn Gordon, BCH, CI, OB

Create Dynamic Transformation!
If you’ve ever wished that you could find a method and blueprint for transforming people’s lives that’s clear and streamlined, as well as dynamic and powerful, here it is! Learn a magnificent method that expands your skills for doing profound inner work. Gain practical and catalytic tools that help you to access the depths of the inner mind and consciousness. Help clients to move from darkness into light, often with astounding results. Combine ancient methods and awesome new technologies, such as EFT tapping techniques and the Wise Mind Process—to release fears and pain, work with habits, relationships, career and creative blocks, self-worth, other physical and emotional challenges, and dive deeply into the spiritual realm to get in touch with a profound expansive inner power.

Learn Amazing Techniques
You’ll increase your ability to use the combined powers of all levels of consciousness. Work with the subconscious, the conscious, the energy system and the higher self to assist others with just about every difficulty they bring to you in your practice. You’ll learn how to do a rapid induction that’s both powerful and gentle; how to help detect and release a client’s inner resistances in minutes; how to access the subconscious database to heal deep issues; how to work with energy to release emotional, physical and mental issues skillfully; how to use specific words to bring forth the underlying issues; how to work with the expanded self; and how to make special individualized recordings for clients after deep sessions. You’ll also learn transformational methods to work with weight loss, smoking, past life regression and more.
