ADVANCED TECHNIQUES
OF PAST LIFE REGRESSION

Step-by-Step Methods to Make Past Life Regression
Effective for a Wide Variety of Issues

In the wake of recent widespread media publicity, many clients are interested in exploring their past lives. Perhaps your clients have spontaneously recalled a past life event, where you felt insufficiently trained to help them understand and use this information. David Quigley's popular website (www.alchemyinstitute.com) gets more hits on this topic than any other in the hypnosis field. With this class you can position yourself as a certified expert in the expanding field of Past Life Regression (PLR).

First, you’ll learn the latest advanced trance induction methods that can help even the most difficult clients access past life memories.

Second, you’ll learn of the recent research that proves the scientific validity of past life memories. And you’ll learn how to help your clients determine whether their own past life recalls are real or not.

Third, you’ll learn how to resolve past life traumas successfully by changing the decision made after death, and rescuing the past life self from trauma, perhaps even bringing that past life self forward to the present life.

Fourth, you’ll learn to help clients access their creative abilities in past lives (music, writing, business savvy, leadership, healing arts) and bring those abilities forward for use in your clients’ present lives.

Fifth, you’ll learn to help clients discover the source of patterns of bad luck (including chronic poverty, illness, loneliness, or powerlessness) which are the result of karmic misdeeds from their past lives. And you will learn to help them release these karmic blocks.

Sixth, you will learn to help clients transform past life contracts with their significant others. You will help clients let go of chronic abusive or unhealthy relationships and to gain the emotional freedom they need to start over.

Seventh, you will learn how to help clients access the pre-conception contract. This is the contract your client made with their Higher Self prior to conception in this body, which explains all of the suffering and joy, all their important relationships in this lifetime, and most important, the life purpose they are here to fulfill.

All of these powerful advanced processes are taught in easy step-by-step procedures, and explained in a workbook provided to you. Each process will be demonstrated. Time will also be available for supervised practice. Don’t miss this opportunity to become the Past Life Regression expert in your community!

I have just finished teaching this dynamic course in Delhi, India, the spiritual home of past life philosophy. It was received with universal accolades. The group of therapists, teachers and spiritual masters from India all told me that these methods represented a revolution in the field.

Testimonials

“I always felt overwhelmed in crowds and preferred to interact with only one or two people. This became a bigger problem when it came to going to business events to promote my work as a hypnotist. With David Quigley’s help I uncovered a lifetime when I’d been a king, albeit a very ineffective one, and discovered that I’d been orphaned as a child, and made fun of in the orphanage. Through David’s wonderful PLR processes, that person was rehabilitated, taught new ways of being in the world, and new ways of assuming leadership. Since then, I find it much easier to mingle in a large crowd, to connect with potential partners and clients, and to step into leadership roles!”

“I was the in-class volunteer for the Past Life Regression class. I discovered a tragic lifetime in which I was married to a mentally ill woman whom I loved very much. Turns out she was my ex-wife in my present lifetime. The local ruler had her executed for her emotional outbursts in spite of my protests about her condition. I ended that life feeling deep despair, knowing I was helpless to save my beloved. In our hypnosis session, David helped me to complete the karma between our two souls. The results in my life today? In addition to helping me release my relationship with my ex-wife, this session helped me to no longer feel like a victim in my life. I no longer let people take advantage of me. Instead, I can stand in my power, make clear decisions for my life, and stick to them. I feel assertive and am more in control of my destiny than ever.”
