(13031) DRAW ME A TREE —Discover What Tree Symbolism Says About Your Personality

Janet Crain, CH, CI, DMD *All-levels*

- Describe the benefits of using tree reading to gain insight into personality
- Identify what to look for in a tree drawing
- Describe the meaning of the location of the tree on the page
- Describe where you can use this technique
- Identify the age of a life changing event
- Identify optimism or pessimism from a drawing

I have made friends around the world, been upgraded to first class and started amazing conversations through the art of Tree Reading. The FBI uses handwriting analysis to obtain information about an individual's personality. Interpretation of tree drawings provides much of the same information. It is a fun way to break the ice and develop rapport without any artistic ability necessary. This class will teach you my 8 step method of Tree Reading.
